1. Welcome Hon.Ministers & guest by students.

2. Launched the new website by Hon.Minister Piyasena Gamage. Minister Dr. Rajitha Senarathna, Principal & HOD of Technical College were present.

3. Introducing the training program and new website to Hon Ministers by Mr.Aruna Gunathilake.

4. NCT students of Technical College - kalutara who involved to launch the new website.

NCT training program has been commenced in 1972 and generated considerable amount of mid level Engineering Technologist to the country during last 36 years. But there was no way to introduce them to national and international job market and hence they decided to launch a website for the training program.

As the first step NCT Student Association is launched by the NCT students of Technical College Kalutara on 07th Srptember 2008. According to their proposal, they launched the new website on 19th November 2008 parallel to Vo-Tech exhibition and Minister of Technical & Vocational Education, Hon: Piyasena Gamage participated the function as the chief guest. Minister of Engineering Service Dr.Rajitha Senarathne, former Director General of the Department of Technical Education & Training, Dr. H.N.Obeysekera and other department heads also participated the function.

We thank to former principal of Technical College Kalutara, Mr.A.M.K.B.Nawaratne and his staff to assist the students to continue the function.
